Dedo Weigert Film GmbH was founded in 1965 as a film production and camera rental company.

Since that time, the company has grown into one of the main importers of video and film technical equipment for professional film, broadcast and specialized photography. We have one of the largest and most diverse inventories from such renowned manufacturers as Anton/Bauer, Cooke, Chimera, Innovision, Lowel, Luminys, Photoflex, Photosonics, Tiffen, Transvideo, Ronford-Baker, Vision Research and many others.

We are the largest supplier and rental facility for high-speed film and high-speed video on the European continent supplying the latest and most advanced equipment and technicians to meet all your needs.

Our more than sixty dedicated employees are renowned for their customer service and are ready to meet all of your challenges and needs.
